It's nearly time for GO:Serve!

GO: Serve is an opportunity for families with young children to serve together. All too often, ministry opportunities are not available for young kids and yet the best way to raise children who serve others is to get them involved in service early, and to model servanthood for them! GO:Serve is a chance for families to do just that.

This is a one-day event in St. Paul where families with kids PreK-upper elementary will have a chance to serve with three different organizations, as well as experience a unique cultural meal. Parents; check your mailbox for more info on registration, or see the posters in the entry.
