

Procedures for Attending Sunday Services

1. If you are not feeling well or experiencing symptoms for COVID-19, please stay at home. If you have been exposed to COVID-19 within the past 14 days, please stay home.
2. You must register to attend the service so we will be signing our names at the door as we enter the building.
3. Please review the health screening checklist posted on the entry door before entering the building.
4. You may enter the building only through the front door posted "Enter Here". Once you are in the building, please have your face masks on and maintain proper social distancing.
5. Once you are in the foyer, please access the hand sanitizer and pick up a mask if you forgot to bring your own. A church bulletin will be available for personal pick up. Please sign the attendance register.
6. Please proceed to the auditorium and someone will meet you to assist you in being seated. You may place your church offering in the plate provided.
7. Once you are seated, feel free to talk with others while in your seat but please refrain from wandering while in the auditorium.
8. At the conclusion of the service, someone will help you in exiting the auditorium. Exiting the auditorium and the building will proceed through the Overflow Room to the back hallway and out the back door (posted "Exit Here") by the Pastor's Office.
9. Please access the hand sanitizer before exiting and deposit your mask (if you borrowed one) in the zip lock bag in the proper receptacle. Another opportunity for receiving your church offering will be available if you missed giving as you entered.
10. While visiting outside, please observe proper social distancing.

Additional Notes:

1. Please remember that this situation is temporary. Therefore, let's be sensitive to our friends and neighbors and help one another as we worship together
2. The nursery and child care are not available at this time.
3. Please refrain from wandering around inside the building.

Announcements

Nursery

During this time of limitations due to Covid-19 we will not be providing a nursery for the worship service. This is subject to change as restrictions are lifted.

COVID-19 Update

We want to keep you informed regarding the church ministry with the latest mitigation efforts from Governor Walz. We are able to continue worshipping together and doing ministry in a limited way as we have been already doing. Nothing has changed for us but let's continue to be faithful and diligent in our practices. Please continue to wear your face covering while in the building and practice social distancing while we worship. Entering and exiting the church using the designated doors and using the hand sanitizing stations are still expected. Now that the weather is requiring coats, we recommend you bring your coat into the auditorium with you so you can exit the building without having to go back to the foyer. As always, if you are not feeling well or you have knowingly been exposed to the virus, please stay home. If you are not comfortable attending at this time, we understand and you can join us for worship on our YouTube channel (Winthrop Evangelical Covenant Church). Thanks for your continued support and encouragement of the ministry of WECC.

"For God has not given us a spirit of fearfulness, but one of power, love, and sound judgment." (2 Timothy 1:7)
